

VENTURA 200R-T WATERMAKER

PRODUCT SPECIFICATIONS

Production / Day	200 gal (757 l)
Production / Hour	8.3 gal (31 l)
Power Requirement	12 V DC 10A 24 V DC 5A 17 Watts/1 gal 4.5 Watts/1 liter
Weight	65 lbs (29.4 kg)
Pre Filters	2.5" x 10" pleated polyester 5 micron
Controls	Analog controls
Installation Requirements	Dedicated thruhull, dry and well ventilated area not to exceed 110°F/37°C
Membranes	20" x 2.5" High rejection spiral wound polyamide
Pump and Motor	Shurflo diaphragm pump
Salt Rejection	99.2%
Temperature Range	Max 110°F/37°C Min 36°F/2°C
Baseline Conditions	33,000 PPM feed water at 77°F/25°C
pH Range	3-11 (typical seawater pH is 8)
Chlorine Tolerance	0 PPM
Warranty	Spectra standard warranty
Shipping Weight	85 lbs (38.5 kg)
Shipping Dimensions	36" x 25" x 21" 91 cm x 63 cm x 53 cm

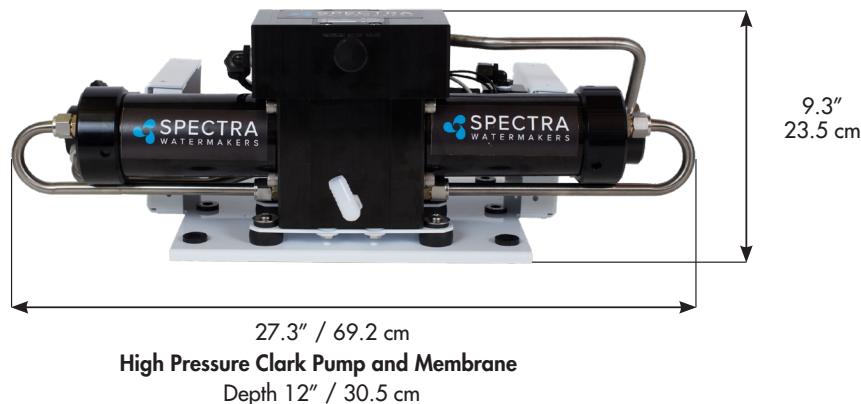

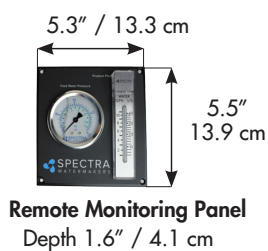

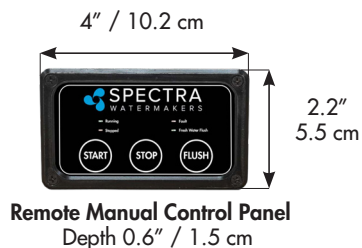

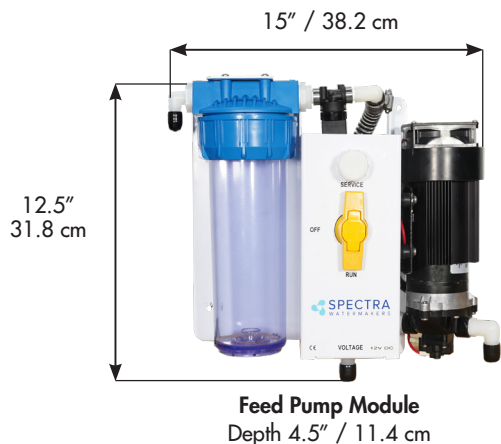

FACTS

The same size as the Ventura 150, but designed for warm water above 50°F (10°C), the Ventura 200R-T delivers over 8 gallons (31 liters) per hour. With its modular design, it's an ideal system for installation in tight spaces whether you're cruising or racing. The Ventura 200R-T features Manual Remote control with Spectra's simple and reliable controller. This simplified controller can be mounted remotely and offers basic control of the watermaker, including freshwater flush with a set duration, perfectly bridging the gap between our full manual and completely automated watermaker systems. Add the Z±ION Membrane Protection System to extend storage times for up to 30 days.

FEATURES

- Optimized for high output performance in warm water (over 50°F/10°C)
- Remote Manual control system offers basic watermaker control at a distance
- Freshwater flush control with a set duration
- Controller gives tank full indication when used with a tank switch
- Compact modular design
- Spectra's unique Clark Pump ensures efficiency and reliability
- Low power consumption—can be run on batteries, solar, or wind power
- Whisper quiet
- Commercial grade diaphragm pumps with run dry protection
- System includes installation kit, handheld water quality tester, and product sample valve
- Z±ION compatible

VENTURA 200R-T WATERMAKER

OPTIONAL COMPONENTS

Z±ION System Protection, Automated
 Z±ION-AUTO
